ALL CUSTOMERS ARE REQUIRED TO INSTALL THEIR OWN CUT-OFF VALVE AND PRESSURE REGULATOR.

As provided in the By-Laws, water charges duly imposed shall result in the automatic imposition of the following penalties:

1. Nonpayment by the due date will be subject to a penalty of ten percent of the delinquent account.
2. Nonpayment by the 29th of each month will result in the water being shut off from the member's property.
3. In the event it becomes necessary for Ebarb Water District to shut off the water from a member's property, a fee of \$50.00 will be charged for a reconnection of the service.
4. The water deposit will be fully refunded at termination of service provided bill is paid in full.
5. Any customer having a delinquent account from a previous address will be required to pay the old account balance in full before being eligible to have water connected at a new service address.
6. At Ebarb Water's discretion, we may remove a meter from a property if the bill is repeatedly not paid or if we have attempted to lock the meter and the lock and/or zip tie is cut. To receive the meter back, the full bill must be paid, \$50.00 reconnect fee and \$35.00 service charge for reinstalling the meter.
7. Billing for service starts as soon as the meter is installed. Service will be billed at the minimum rate even if the customer is not connected.
8. FAILURE TO RECEIVE A BILL DOES NOT RELIEVE OBLIGATION TO PAY BILL BY DUE DATE OF EACH MONTH.

In the event water service is not provided, your fee will be returned. The setup fee is non-refundable. I fully understand and agree to this application.
